Advising Notice for ECE Probation Students Fall 2016

As directed by the Authority, Department of Electrical & Computer Engineering (ECE Dept) has decided that **probation students (below CGPA 2.00) will not be allowed course registration of Fall 2016 semester <u>without the presence of their parents/guardians</u>**. This rule will be strictly maintained by the NSU advising system and the respective advisors.

- For Probation list please check the website.

- Other students (Discontinued and Blocked ID): please apply to the Registrar through Chair, ECE Dept. and/or take necessary action
