

Topics: To be assigned

---

A slecture is an online lecture made by one or more students based on the teaching of a professor. It typically will include unofficial, edited lecture notes as well as other material, such as excerpt of audio or video lectures and pictures [Ref: Project Rhea]

### CONTENT

- Should not be directly copied from text.
- It should reflect your understanding of the topic.
- Draw the figure as needed (hand drawn would be okay).
- Explanation with schematic diagram or flowchart, or block diagram, is highly encouraged.
- Overall, it should be concise.
